

# abide Christian Fellowship

Abide in me, and I in you. As the branch cannot bear fruit by itself, unless it abides in the vine, neither can you, unless you abide in me.  
- John 15:14

**Abide Christian Fellowship** is a Stanford fellowship of both undergraduate and graduate students that takes the Bible seriously. **Our vision is to follow John 15:4 to create a community that abides in Christ, staying connected to Him as our source of faith, life, and love in the midst of our busy student lives.** We strive to foster a fellowship that grows together in the Scripture through the highs and lows of Stanford and beyond that engages with the bigger questions in life.

## why Abide Christian Fellowship? 🏠

- Find a close-knit spiritual community that feels like home on Stanford campus
- Study the truth of Scripture through manuscript Bible Study and large group fellowship nights
- Have a better understanding of our unique struggles, spiritual needs, and how Jesus provides for us in every season
- Meet other students in different stages of life, from freshmen to seniors to graduate students
- Engage with the broader Christian community through our local church, Bridgeway Church in Palo Alto ([www.bridgewaysv.org](http://www.bridgewaysv.org)). We provide weekly rides from Stanford to Sunday worship services

We believe that college Christian fellowships are special places where young adults can explore the purpose of their lives and encounter God. In a world that is often turbulent and challenging, we hold fast to the belief that Jesus' life, death, and resurrection offer redemption for the world's brokenness. He gives us a model for a life filled with love, true community, and light in the darkness. **Whether you're a Christian who wants to grow in your faith, or someone simply curious about Christianity, we invite you to join us and explore what it means to abide in Christ!**

## Student testimonials

I love Abide for its tight-knit community. Through our discussions, social events, and shared experiences, I've made so many friends and mentors who I can look up to for spiritual guidance and practical advice on how to live out my faith while navigating life as a Stanford student.

My time in Abide has been the most rewarding part of my Stanford experience. The fellowship has blessed me with friends and mentors who have supported me through my most challenging times and provided me with a safe space to ask questions and grow in my faith.

In joining Abide, I feel that I've become a member of a big family. The community is so welcoming and supportive, always encouraging me to reflect and grow spiritually, while hosting several social events for us to really get to know each other.
