

hello!! welcome to Stanford! 🌲❤️🧐

We are InterVarsity Christian Fellowship (IV)! We're a community of people who are all about **Growing the Family of God**: growing in relationship with God and one another as we welcome new folks into relationship with Jesus.

**What are we about?** Our fellowship is passionate about helping people experience *belonging*, engaging God's Word with *curiosity*, and learning to *embody* our faith. We love asking questions and fostering spaces where we can bring the things we're holding and invite our friends too. Wherever you're at in exploring faith, we hope you can find space to belong and grow in IV!

**What do we do?** We host a lot of events throughout the year (retreats, conferences, dinners, prayer gatherings, beach trips, etc.), but here are some of our ongoing spaces!

**Family Group Bible Studies:** student-led small groups where we gather to support each other, study scripture, engage our questions, and apply what we're learning to our lives.

**Community Gathering - Wednesdays, 7:30-9pm:** a space to ground ourselves mid-week through prayer, teaching, discussion, musical worship, games, and other spiritual practices.

**Black Campus Ministries (BCM) & Latino Fellowship (LaFe):** two spaces where folks from similar backgrounds can connect to grow in being unapologetically Black/Latine and unapologetically Christian. Enjoy good food, music, prayer, discussions, Bible study, conferences, and more!

**How can you get connected?** Fill out our contact form at [bit.ly/newtoiv](https://bit.ly/newtoiv) if you want to join our Slack/email list, learn about **fall welcome events**, meet up with an upperclassman, or chat with an IV staff. We'll follow up once school starts! Sending love your way as you transition to Stanford! 🧡

Molly Field  
Stanford InterVarsity Staff Minister
